NA 6468 DUO COMBI

DOUBLE THE FLAVOURS, DOUBLE THE PROFIT

Choose the Nissei NA 6468 Duo Combi, to surprise customers even more. Two different flavours of ice cream can be served from this machine. Take advantage of the season and add strawberry, chocolate or yoghurt ice cream to the assortment for a change. Also with milkshakes there is a variety of choices. With four different flavours, there is always a shake that suits the moment.

Special flavours ensure more profit and using the three tap Duo Combi, all sorts of ice cream can be made easily. Making a milkshake with this machine is not complicated either. With one push on the button a delicious cool drink is ready. The Duo Combi offers plenty of choice for customers and also an even higher turnover for ice cream and milkshake sales.
